

# Step 1: Pre-work

## Pocket Al and IoT – NSBE 49<sup>th</sup> Annual Convention

Pre-work Instructions

### **Hardware and Software Requirements**

To participate in this workshop, you need:

• A charged phone or tablet with Android 8.0 or later, or iOS 13 or later.

### We're hiring! Connect with us:

### Need Help?

If you have trouble with the setup steps or the exercises, join this Microsoft Teams meeting to get help from a MathWorks teaching assistant: https://tinyurl.com/NSBE49Troubleshoot

### Setup for the Pocket AI and IoT Workshop

If you already have the MATLAB Mobile app, log out. To log out,

- 1. Tap the menu bar and then tap your user name
- 2. Tap Sign Out

### Part I. Activate the workshop license and create a MathWorks Account

- 1. In a browser window, visit https://tinyurl.com/NSBE49PocketAlLicense If you cannot access tinyURL, use this link: https://www.mathworks.com/licensecenter/classroom/3999650/
- 2. To create a MathWorks Account, click Create Account at the bottom of the page on your mobile device. Fill out the form with the required information. You need access to the email you use to create the account.

Use a personal email address to create the account. Do not use your work or university email to create the account.

- 3. Follow the instructions to verify your MathWorks Account.
- 4. Go back to the browser window to finish creating your MathWorks Account.
  - You must check the **Online Services Agreement** box.

#### Part II. Access the exercise files

1. Go to https://tinyurl.com/NSBE49PocketAIExercises Click the "Add to my Files" button next to the plus sign and then select "Copy Folder".

3. If you aren't already logged into your MathWorks Account in the browser window, log in.

#### Part III. Download and connect to MATLAB Mobile

Download and connect to MATLAB Mobile using your mobile device.

- 1. On your device, visit https://www.mathworks.com/products/matlab-mobile.html.
- 2. Click the **Google Play** or **App Store** link and install the app.
- 3. Open the app and click 'Connect to MathWorks Cloud'
- 4. Log in using the MathWorks Account you created.
